### Referral Bonuses (CNAs, LPNs, RRTs, PTAs)

- 1) Candidate must qualify for current position
- 2) Name and contact information of both the referral and the referring party must be included on the referral form.
- 3) The referring party will earn **\$250.00** for each healthcare professional he/she refers to us who completes a full 13-week assignment with Health Hybrid (HH) (a full assignment requires that the referral work a minimum of **468** based on **36 hour work-week** or **520 hours** for a **40 hour work week** and meet all contract requirements.
- 4) Once the referral completes the 13-week assignment with HH, the referring party will be eligible for a **\$250** referral reward.
- 5) Candidate who completes a full 13 week assignment, but do not meet minimum hours worked requirements, HH will review, but not guaranteed reward payment to the referring party.
- 6) Candidate must start an assignment within one calendar year of the application date associated with the referral. If the candidate starts a 13-week assignment but does not complete all 13 weeks, they will have the remainder of the calendar year to complete the 13-week assignment. Failure to complete a 13-week assignment within one calendar year from the application date nullifies any referral bonus.
